

Two Day National Seminar (30.1.2019-31.1.2019)

The two-day national seminar on "Innovations and Transformations in Teaching and Learning" was held from January 30th to 31st, 2019, at SUM College of Teacher Education, Mamba. This seminar provided a platform for educators, scholars, and students to exchange ideas and present their research on innovative practices in education.
